

# 2016-2017 SIGNATURES

Please obtain all signatures and information requested. This form must be submitted at the time of audition. We understand that these signatures may be difficult to obtain; should the student audition successfully, they will be provisionally accepted until we receive the appropriate signatures.

The Amarillo Symphony expects all members of the ASYO program to be active in their school music programs. We wish to enhance, not replace, school programs. We ask that your school music teacher sign this form so they are aware of your intent to audition for the ASYO.
