Reservations for groups participating in the All You Can Eat Hot Dog Special will need to be made by Friday, April 19th and will need to include a total of all students, sponsors, and bus drivers in your group.

The following **Ride Passes** are available for GSWMF participants:

Regular Eat & Ride WOW *	\$30	\$32.50
Ultimate Ride Only WOW	\$36	\$38.95
Regular Ride Only WOW	\$21	\$22.75

**** Wonderland gives \$2 of each Ultimate/Regular Eat & Ride WOW pass purchased to GSWMF! ****

The **Regular Ride Only WOW** pass allows your group access to all the rides, except the Texas Tornado and Fantastic Journey. Miniature Golf is not included with the **Regular Ride Only WOW** pass.

The **Ultimate Ride Only WOW** pass allows your group access to all the rides, plus –

- unlimited rides on the Texas Tornado
- one ride on the Fantastic Journey
- unlimited games of Miniature Golf
- one 16 oz. soft drink

For every 15 student wristbands that you purchase, we will give 2 adult sponsors a free Ride Pass. Adult sponsors are those age 21+ accompanying your group. These free sponsor ride passes will be the same type of pass you purchase for your students. (Ex: if you purchase an Ultimate Eat & Ride WOW pass for your students, the sponsors will receive a free Ultimate Eat & Ride WOW pass.)

If you do not choose to purchase the **Ultimate Ride Only WOW Pass for your group, your group members may purchase the **Ultimate Upgrade** at the Gates and Guest Relations booths. The **Ultimate Upgrade** costs **\$15 + tax = \$16.25 each.****

All guests entering the park must purchase a WOW Pass. Any accompanying parent or child entering the park not paid for by the school will need to purchase a WOW Pass. The guests associated with your group will need to identify that they are with your group in order to get the discounted rate. The rates these guests would pay are listed in the previous table as “Tax Price.”

- **Little ones UNDER 36” inches tall can enter free. They are allowed to ride ONLY those rides where they meet the ride’s height requirements.**
- **Guests age 65+ enter the park and ride for free. This free pass is a **Regular Ride Only WOW** pass. If these guests wish to ride the Texas Tornado or the Fantastic Journey, they must pay to ride them using a WOW card. This free pass does not include the All You Can Eat Hot Dog Special.**

Bus parking is available in our spacious northwest parking lot. This lot is a separate lot across from the northwest entrance gate and the red & white roller coaster.

The All You Can Eat Hot Dog Special will be served in the large Picnic Shelter behind the Scrambler, just south of the Fantastic Journey.

Preloaded Wristbands

In order to expedite the entry process, we strongly recommend getting Preloaded Wristbands in advance. If groups pay for their party in advance of the party date, Wonderland can issue preloaded wristbands to them. Group members will need to have these bands on their wrists when arriving at the entrance. If the group members have their preloaded wristbands on, these bands can simply be scanned as they enter the gate, eliminating all other steps.

Preloaded wristbands are nonrefundable as they can be used any time. If you purchase too many wristbands, you will be able to use them anytime Wonderland Park is open.

You may either pick up the wristbands, or we can mail them to you for a \$15 Shipping Fee. You will need to call us before you pick them up or before you want us to mail them, so we can get an exact number and payment from you. We do take a PO as a form of payment for this option.

Paying at the Gate

The slowest option is for the sponsor to come to the gate window and pay for all the wristbands needed. One transaction will be made per group reservation. The gate will issue wristbands for the sponsor to distribute to the members of his/her group. Group members will need to have the wristbands on their wrists before entering the gates. This works best for groups who arrive all at once.

Again, we strongly encourage you to use the Preloaded Wristband option as it gets your group into the park in the shortest time possible and your group will get the most riding time out of its visit.

We accept organization checks, MasterCard, Discover, Visa, and cash. **We do not accept any personal checks.** Wonderland Park will NOT issue refunds of less than \$30.

It is important to note: Wonderland Park is “cashless,” including Wonderland’s concession stands, games, and golf. However, credit cards and WOW Cards will still be accepted.

WOW Cards –

- are barcoded cards customers may purchase at the Gates or Guest Relations;
- are reloadable and may be used at concession stands, games, and golf;
- may be used for rides on the Texas Tornado or Fantastic Journey;
- are nonrefundable as they can be used on any future visit.

We hope you have a great time in Amarillo and receive the highest honors at the Festival. We hope to hear from you soon!
